## GUSHKARA MAHAVIDYALAYA

## STUDENTS SATISFACTION SURVEY - 2019-20

In the feedback received by the institution in the academic session, 2018-19, the most of the respondents have opined that the teachers have covered almost 80 to $90 \%$ of their assigned syllabi. Necessary study materials and extra classes were very beneficial for them. The classes were made interactive and enthusiastic by the qualified and well prepared teachers. The teachers were able to effectively communicate with them and were also able deliver the contents of syllabi effectively. The teachers' approach towards the students was very congenial and humane which attracted the students in the classes. The levels of understanding of contents by the students were evaluated by the teachers through the mid-term assignments and then the teachers guided them for necessary improvements. The teacher also discussed the weaknesses and strength of the students for further improvement which help them to truly overcome shortcomings of learning. The institute as whole always takes steps to encourage and motivate the students for various opportunities like filed visits, study tours, projects, completion, etc. the teaching and mentoring process in the institute significantly offers the cognitive, social and intellectual growth. The teachers always use various modern methods of teaching contents of the syllabi by using ICT, PPT, projector, audio-visual contents and other online means for digitally enriching the students. The institution as a whole provides an environment where encouragement to participate in extracurricular activities is given. The students are also being encouraging to select soft skills to enhance their employability in an exceedingly competitive market. The students also admit that the quality of teaching in the classroom is very good and suitable for them.
